

Nature Park of Bosco di Tecchie

One day excursion

Bosco di Tecchie.

A walk through one of the most beautiful woods in the Marche, full of Turkey oaks, beech trees, grasslands and scrubs. It is located in one of the least populated areas rich in mushrooms, a variety of animals and immersed in silence. The secret lies in uncovering how many varieties of woodland can exist side by side in a single valley.

One day excursion along the 4 trails of the park

THE TURKEY OAK TRAIL
THE BEECH WOOD TRAIL
THE BIODIVERSITY TRAIL
THE EDUCATIONAL TRAIL
